### **NOTE TO INSTRUCTIONAL LEAGUE PARENTS**

September, 2011

- Players must wear shoes with white soles OR if they have black soles, they must say non-marking on them (most basketball shoes have this written on the bottom of the shoe)
- We have tried to form the teams as evenly as possible. The CAGE reserves the right to switch players to make the teams more even.
- Age divisions of teams will be determined by total number of kids that sign up. Normally 2 to 3 grades will be mixed together for teams.
- Players need to show up for practice. That is where they learn the skills needed to develop into better ball players. Games are the fun part, but practice is the important part. 3 rules...Try Hard...Listen to your Coaches...Have Fun !!
- Practice and game schedules will be posted on the red bulletin board beside the front door and also on the website.
- Games will be played on weeknights. A weekend game would be VERY rare.
- There will be a \$ 2 door fee for each game for adults and kids age 10 or above. The door fee is also \$ 2 for travel league on the weekends, if you also have kids participating in that league. Players and coaches are free.
- Each team will need a volunteer to be the scoreboard/scorebook person at each game.
- The red bulletin board will also have any upcoming information, so make sure and check it from time to time.
- Team pictures will be taken on the night of the first games. More information as it gets closer to time.
- Uniform shirt will be provided. Black or dark colored shorts are preferred and need to be furnished by the player.
- In case of snowy or bad weather, coaches will be called and will relay information on to their team. It will also be posted on the website and on WTHR channel 13. If games are cancelled, they will be made up.
